Summer Reading Club Kick-Off

Monday, June 18, 6:30 pm to 8:30 pm

Come to the Children's Room to sign up for the Summer Reading Club and get a special surprise!

A Note About Our SUMMER Program Registration

During the month of July, due to the high volume of children's programs, we have 3 separate registration days. Please come down to the library with your library card if you want to be among the first to register. If you are unable to come into the library on the registration day, you may call the Children's Department at extension 6 and register over the phone beginning the day following a registration day. You must have your library card barcode number available at the time of phone-in registration as well as the exact programs you are interested in. Please remember, as always, admittance into our programs is on a first-come, first-served basis. The earlier you register, the better to ensure your child does not get closed out of our programs.
