

ANNUAL REPORT 2020

Central Islip Public Library's Year At a Glance

107,111

Physical items
circulated.

We reopened with safety & sanitizing protocols in place including plexiglass, staffing guidelines, & PPE. Curbside service was added to safely provide quality service to our community.

515,609

Digital items
checked out.

We responded to changing community needs by increasing the number of our online databases that provide patrons with access to ebooks, audiobooks, music, movies, classes, etc.

3,928

Patrons attended
virtual programs.

In response to the new limitations of library programs, we developed a variety of virtual programs such as storytimes, book clubs, yoga, take & make craft kits and more.

13,804

Library card
holders.

We supported virtual learning needs by increasing educational databases & facilitating the availability of online tutoring & virtual technology training for parents.

Our proposed 2021 - 2022 operating budget will reflect a 0% tax increase, and will continue to provide quality programs and services to the community.
