

CAREERS

CHECK OUT OUR
RESOURCES BELOW!

Where to begin:

Try taking a quiz to learn about possible career opportunities

- ✓ <https://www.yourfreecareertest.com/career-tests/free-career-test-for-students/>
- ✓ <https://www.careerizma.com/apps/career-aptitude-test/>

Learn more about careers in general

- ✓ **Careerzone.ny.gov**- Is a website where you can explore different careers to get an idea of what they are and what the requirements are before getting the job too.
- ✓ **myfuture.com/career** Search careers by industry, salary and skills. Get tips on improving your job search so you can put your best foot forward
- ✓ **Careervillage.org** This website allows you to ask questions about a career you are interested in and have professionals in that field possibly answer them. There are questions others have asked that you can view also.
